

# Oak Grove California Petite Sirah: From the Sommelier

*As seen on Cleveland.com/Sun Star-Courier, July 28, 2013*

*Oak Grove California Petite Sirah is the July 25 Sun Star-Courier pick: From The Sommelier .*

**Sommelier George Zaboura recommends Oak Grove California Petite Sirah.**

**There is nothing petite about this dark and intense wine. Hearty and bold is more like it.**

**The word petite comes from the size of the grape not the flavor. In fact it's just the opposite. The black-skinned grape variety is mouth covering and pungent.**

**As I poured it in the glass, a sent of crushed blackberries filled the air. My first taste followed by my second and third was heavenly. *This petite sirah is a velvety, juicy wine exploding with flavors of blueberry and raspberry followed by a long finish of vanilla, oak and spice.***

***There is a lot going on here for a great price. Enjoy!***

**Pair with: With BBQ ribs or smoked wings**

**Cost: \$9.99**
