## **Top Wine Values - 2006**

### **Oak Grove Cabernet Sauvignon 2004**

“It’s not easy to find cheap Cabernet Sauvignon that doesn’t swing wide to the weedy side of grape life. There is a certain earthy funk here, a hint of veggie, but to some degree that just makes the wine more French, n’est-ce pas? This is a respectable bottle. Tuck it around a thick steak and it will do just fine.”
