

2017 OAK GROVE FAMILY RESERVE SAUVIGNON BLANC

This wine is 100% California sauvignon blanc. It comes in at 13.5% ABV and 0.5% residual sugar.

The wine showed a pale straw color. Apple, lemon, honey, slate and hay all arrived on the nose. Apple, pithy lemon, peach, wet river rock and hay followed on a crisp palate dominated by apple notes. The wine exhibited good acidity and balance, along with good structure and length. This wine would do well as an aperitif on a hot day and would pair nicely with grilled shrimp.
